### ABOUT THE COURSE

MBA Education’s signature School of Mortgage Banking (SOMB) is the real estate finance industry’s standard in comprehensive residential mortgage training. The series, which consists of three, four-day classroom courses, provides the essential knowledge and skills necessary to be competitive in an industry undergoing constant change.

School of Mortgage Banking I: An Introduction to the Real Estate Finance Industry provides a foundation in residential loan production, underwriting, secondary marketing, warehousing and servicing.

### LEARNING OBJECTIVES

Upon completion of the course, students will:

- Gain perspective on the overall challenges facing mortgage origination businesses.
- Distinguish between the roles of mortgage originators, processors and underwriters.
- Acquire knowledge of how to disclose laws and regulations that protect consumers.
- Learn how to take quality mortgage applications, evaluate credit and package mortgage loans.

### DESIGNATION INFORMATION
