

**FUTURE  
LEADERS**  
TEXAS MORTGAGE  
BANKERS ASSOCIATION

# Mission

Promote education and leadership training that ultimately inspires the growth of mortgage banking professionals as future leaders in the association and the industry.

## Be A Future Leader Corporate Sponsor!

Consider being a Corporate sponsor for TMBA's Future Leaders program. Sponsorship benefits include:

- Recognition in the TMBA newsletter
- Company logo on signage at every event
- Company logo and link on the Future Leader page on the TMBA website...

...for an entire year!

Your sponsorship will go towards fundraising efforts for TMBA's **James M. Wooten Scholarship** sending representatives from TMBA member companies to the Mortgage Bankers Association's prestigious Future Leader program. TMBA's Future Leader program has been developing leadership skills in participants for many years, strengthening our industry as well as their companies. Dozens of TMBA representatives have taken advantage of this generous scholarship since 1993.

This scholarship was developed in 1993 and has become the primary focus for the Future Leaders. Now called the Future Leaders/James M. Wooten Scholarship, it was designed to focus on developing new leaders who will guide our organization and our industry in the years to come. As a testament to the program, many scholarship recipients have achieved leadership positions within the TMBA.

By sponsoring the Future Leaders and supporting its activities, the Texas Mortgage Bankers Association expects to attract new members by providing opportunities in which mortgage bankers are able to interact with other professionals and current leaders in a premiere statewide trade association.

Be a part of the legacy of TMBA's **James M. Wooten | Future Leaders Scholarship** program by signing up to sponsor today!

Sponsoring Future Leaders for the 2023 year is easy! Give us a call at the TMBA office for more information at 512-480-8622, or send an email to [info@texasmba.org](mailto:info@texasmba.org).
